Vetus Thruster Promotion!!

Vetus is a reputable European manufacturer of bow and stern thrusters that has an office and warehouse in Australia. This differentiates itself from the rest of the market as it demonstrates a commitment to this country. This also means rapid and reliable technical support, and spare parts availability.

Vetus bow and stern thruster is a premium brand with proven quality.

If you have been considering an upgrade to your vessel to include a bow or stern thruster, this may be a perfect opportunity to take the next step as we are offering a supply and install promotion.

Supply, install and commission prices for a 12V Bow or Stern Thruster

25 kgf thruster for 5 - 8 m vessel	- \$5,500 + gst
35 kgf thruster for 6 - 10 m vessel	- \$6,000 + gst
55 kgf thruster for 8 - 12 m vessel	- \$6,400 + gst
60 kgf thruster for 9 - 13 m vessel	- \$6,500 + gst
75 kgf thruster for 10 - 15m vessel	- \$7,000 + gst
95 kgf thruster for 12 - 17m vessel	- \$8,100 + gst
125 kgf thruster for 14 - 20 m vessel	- \$9,000 + gst

Note: Prices are Estimation based on a standard installation with a dedicated battery bank and charging circuit. It is based on works at the Gold Coast City Marina, and excludes marina fees. Prices must be confirmed by a vessel inspection.

We will hold this offer for any works started before 31st May 2018.
