Paint Work On Your Boat

All Marine Solutions is the leading complete service provider in premium marine maintenance, installation and repair in South East Queensland. We differentiate ourselves as a broad spectrum service provider in the following areas,

- Marine Plumbing
- Marine Water Treatment
- Bow and Stern Thruster
- Fibreglass, Gelcoat, Timber and **Paint Work**
- Marine Fit-outs

We are currently running a promotion to create further awareness of our capability in Paint Work. For any Paint Work,

- We will not incur a shed rental cost for any vessel smaller than 8 m in length.
- We aim to provide you a service that gives value for money. Hence, if you happen to receive a legitimate quotation that is cheaper than our quote, we will not only match it, but will beat it by 10%.

The period of offer commences from now to 30th Sept 2018.

Please call **07 5665 8166** or email info@allmarinesolutions.com.au for further information.
