

WELCOME TO ALL MARINE SOLUTIONS

NEWSLETTER 1802D

Free Consultation On Your Vessel

All Marine Solutions is a full line service provider and offers the convenience of a quality "one-stop" service in all aspects of marine upgrades, maintenance, installation and repair. It specialises in the following fields,

- Marine plumbing
- Marine water treatment
- Bow & stern trusters
- Fibreglass, gelcoat, timber and paint works
- Marine fit-out
- Project management

With this expertise, we like to **offer a free and no obligation consultation on your vessel.** This can assist in the following ways,

- Exploring possible solutions to small or large problems in your vessel.
- Prioritisation of any upgrade, maintenance, installation or repair works that you may have in mind.
- A second opinion on possible challenges in your vessel.
- Keeping up to date with new products, technologies or processes in the marine industry.

Note: Offer valid from now to 30th June 2018.
