Perfect Time To Maintain Your Boat

The cooler months are indeed here! This is a great time to have your boat well prepared and ready to go when the warmer weather arrives.

All Marine Solutions is a full line service provider and offers the convenience of a quality "one-stop" service in all aspects of marine upgrades, maintenance, installation and repair. With this expertise, we like to **offer a free and no obligation consultation on your boat**. This can assist in the following ways,

- Exploring possible solutions to small or large problems in your boat.
- Prioritisation of any upgrade, maintenance, installation or repair works that you may have in mind.
- A second opinion on possible challenges in your boat.
- Keeping up to date with new products, technologies or processes in the marine industry.

To encourage you to take this opportunity to give some TLC to your pride and joy, **we will absorb 10% of your marina fees when you engage us to work on your boat whereby the boat has to be lifted**. This work can include the following,

- Installation of bow and stern thruster
- Fibreglass, gelcoat, timber and paint repair
- Plumbing
- Boat painting
- Fit out
- Antifoul
- Project Management
- Any other works as agreed

The following conditions apply,

1. Marina fee is limited to lift and return, water blast, hardstand hire, shed hire and utilities.

2. All works are performed by us unless otherwise agreed.
3. All works to be performed at Gold Coast City Marina.
4. Offer valid for works completed to end Aug 2019.

Please visit us at www.allmarinesolutions.com.au or call **07 5665 8166** for further details.
